

Arab Patrol and Drum Corps
of
Aleppo Temple, A. A. O. N. M. S.

Boston, Mass., March 1, 1923

Dear Noble:—

Enclosed please find two (2) tickets for the Annual Ball of the Patrol and Drum Corps, at Mechanics Building, Boston, on Wednesday, April 11, 1923.

This event is exceptional. The splendid music of the Drum Corps, the spectacular drill of the Patrol, the great concourse of Nobles and their ladies make a most attractive picture.

Your patronage is the expression of your encouragement and support of the men who give much in loyal services for the renown of Aleppo Temple. Come yourself and bring your friends.

Yours in the faith,

WALTER W. MORRISON

Potentate

We thank you!

Fred. E. Bolton

Major Comm. the Arab Patrol

Louis E. Harlow
